Dear Right Reverend John Packer,

I enclose a copy of a letter which I have written to the Chair of Governors of Abbey Grange School, on behalf of the three Kirkstall ward councillors, for your information and attention. It concerns the school's proposals to contract with a private company called Powerleague. We feel the proposal will have serious adverse effects, and have requested that it be withdrawn. We hope when you have had the chance to consider the matter that you will share our concern.

Yours sincerely,

Councillor Elizabeth Minkin
